

The Ant and the Bird

(Story)

Instructions for the teacher:

- Show the picture given below to the children.
- Ask the children to identify the characters.
- Ask the children to find out the connections among all the pictures.
- Help the children form a story in their home language(s) and English using the given pictures.

Look and Talk

Target words -

ant river bird tree bite leaf toe

Exercise

1. Answer the questions orally *in your language and English*:

1. Where was the ant floating?
2. Who saw the ant floating in the river?
3. How did the bird help the ant?
4. Whom did the ant bite and why?
5. What did you like about the story?

2. Arrange the pictures in the correct order *as they come in the story*. Number the pictures 1, 2, 3, 4, 5 and 6.
