

## Lesson 4

# Things at Home

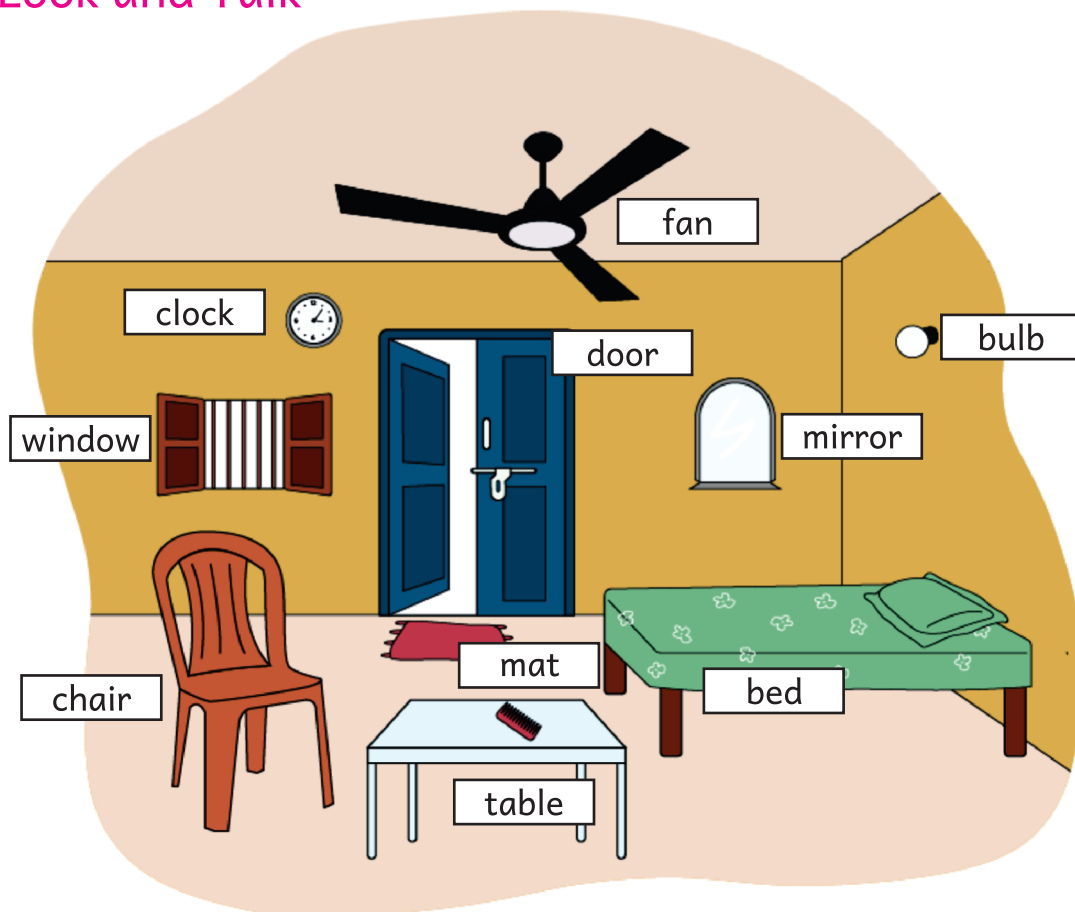

(Picture Conversation)

### Instructions for the teacher:

- Show the picture to the children.
- Talk in their home language(s) along with English about the things they see at home.
- Introduce the target words, pointing to the pictures related to them.
- Help them to come out with the target words in English.
- Write the target words on the blackboard as the children speak out.
- Ask the names of the objects we find at home by pointing to that picture.

## Look and Talk

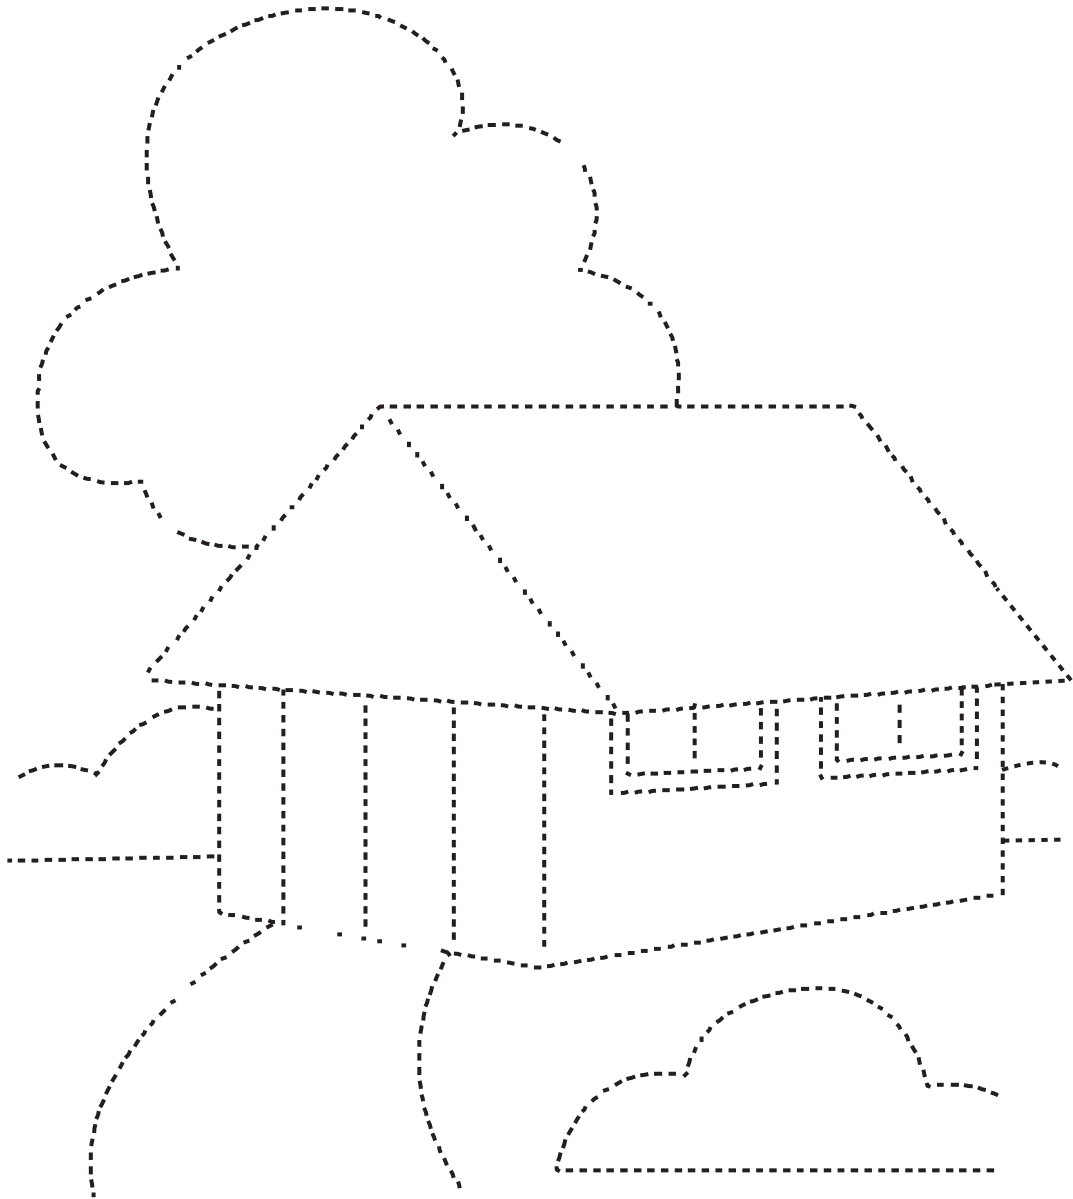

### Target words –

window door bed clock fan chair mat bulb  
table mirror

1. Join the dots to complete the picture and colour it.

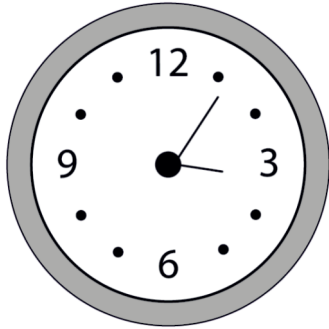

**Instruction for the teacher:**

Guide the children to join the dots and colour the picture of the house with crayons.

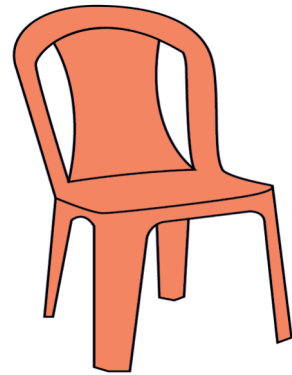

2. Look at each picture given below and circle its name.

clock

fan

door

chair

table

bed

mat

door

**Instructions for the teacher:**

Guide the children to identify the pictures and name them in English. Then, ask them to circle the correct word that matches with the picture.

3. Colour the things that we find inside the house.
