

# In The Morning

(Rhyme)

### Instructions for the teacher:

- Talk in their home language(s) along with English about children's daily habits.
- Ask the children some questions -
  - When do you get up?
  - What do you do in the morning?
- Recite the rhyme with action and children will sing with you.
- Let the children recite the rhyme in large groups/small groups and then individually.

### Recite and Enjoy:

In the morning, in the morning  
In the morning everyday  
We brush our teeth, we brush our teeth  
In the morning everyday.

In the morning, in the morning  
In the morning everyday  
We wash our face, we wash our face  
In the morning everyday.

In the morning, in the morning  
In the morning everyday  
We comb our hair, we comb our hair  
In the morning everyday.

In the morning, in the morning  
In the morning everyday  
We eat our food, we eat our food  
In the morning everyday.

In the morning, in the morning  
In the morning everyday  
We go to school, we go to school  
In the morning everyday.

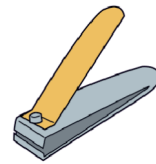

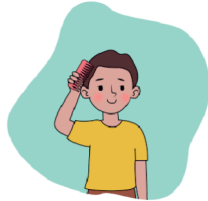

**Target words -**

wash    teeth    face    brush    hair    food    morning    eat  
school    comb

## Exercise

### 1. Look and Match.

#### Instruction for the teacher:

Ask the children to identify the things that are needed to do the activities given on the left and draw lines to match them.

2. Identify the good habits and put a (✓) against them.  
Put a (✗) against bad habits.

**Instructions for the teacher:**

Show the pictures to the children and talk about good habits in their home language(s)/alongwith English
